

## A BIRDERS' GUIDE TO MISSOURI PUBLIC LANDS

### **STERLING PRICE COMMUNITY LAKE EDGE WADE (REVISED 1 NOVEMBER, 2009) 84 ACRES CHARITON CO. DELORME 30, D-1 MDC OWNED FOR INFORMATION CALL 660-646-6122**

Directions: From Salisbury, go 2 miles west on MO 24, and 1 mile south on Sterling Avenue to a right turn onto South Lake Lane.

When to Visit/Species to Expect: Spring and fall migration, and winter when the lake is not frozen. Waterfowl and riparian nesters may be found.

Features of interest to birders: Seven fishing jetties jut into the 35-acre lake from the north shore. A scrubby area near the western-most parking area can be productive for song birds. Sterling Avenue continues south to give views of the wooded eastern and southern portions.

Toilets: 1 privy

Camping: None

Hazards/Limitations: No hazards noted. Area can be very busy even on weekdays in warm weather.

Nearby Birding Sites: Pine Ridge Lake (Salisbury), Thomas Hill Reservoir, Dalton Bottoms Access, Lewis Mill Access
