

A BIRDERS' GUIDE TO MISSOURI PUBLIC LANDS

DIXON TOWERSITE

Edge Wade edgewatmchsi.com 2010

48 acres Pulaski Co. DeLorme 46, F-2

MDC owned; for information call 573-368-2225

Directions: From Dixon, go 3 miles west on Hwy. 133. Site entrance is on the left (southeast) side.

When to Visit/Species to Expect: Late spring, summer. Pine Warblers and Chipping Sparrows, and other oak-hickory species (e.g., Eastern Wood-pewees, Great Crested Flycatcher, Red-headed Woodpecker) are likely.

Features of interest to birders: Pines, one-acre open area, grass and oak-hickory forest near the tower provide easy, pleasant viewing opportunities.

Toilets: None

Camping: None

Hazards/Limitations: None noted

Nearby Birding Sites: Rinquelin Trail Lake CA, Clifty Creek CA, Schlicht Springs Access, Riddle Bridge Access, Gasconade Hills CA
